

## Re opening Monday 11<sup>th</sup> October 2021

Members and guests are advised that the NSW Government has made a Public Health Order giving effect to the first phase of the Club reopening on Monday, 11 October.

As such our management team are busy preparing to welcome you back!

In order to reopen we are required to follow applicable rules and regulations as per the NSW Government Public Health Order in the interest of safety for you, your families, our staff and the community at large.

We are advised that entry to all NSW clubs will only be for patrons that can produce appropriate evidence that they are fully vaccinated or medically exempt from the COVID - 19 vaccination at the time of entry.

### What evidence is required for proof of vaccination?

Currently you can access your proof of full vaccination through:

- 1) The "Express Plus Medicare" mobile app
- 2) Your Medicare online account, through myGov
- 3) Obtaining the paperwork documents that you would have been supplied with at the time of your immunisation or by calling the Australian Immunisation Register on 1800 653 809 to have this mailed to you.

### What if I have a medical exemption?

People that can't be vaccinated for medical reasons will be permitted to enter the club if they obtain the approved 'Contraindication Certificate' ([which can be found here](#))

Please consult your medical practitioner for further information.

We are only permitted to accept the medical exemption in the approved "Contraindication Certificate" form.

Requirements to enter the club will be a little different for a short time.

We kindly ask that you review the following information before arriving and be prepared to respectfully cooperate with our staff when entering the club.

- On arrival, please have your face mask on and vaccination / exemption documents ready to present to our staff
- Check in with the Service NSW QR Codes provided
- Take note of our current COVID safe conditions of entry signage

While you may visit the Club regularly, please understand that it is a NSW Government health order that we are required to verify your documentation on every visit.

We apologise for any inconvenience that our entry requirements cause.
