

NOTICE TO CLUB MEMBERS

An important update for members, guests and visitors.

Throughout the COVID – 19 pandemic our primary concern has been the health and wellbeing of staff, members and visitors to our venue and the community at large.

The Club has a duty of care under the Work Health and Safety Act 2011 and under general law to ensure the health and safety of every person attending our premises.

After careful consideration, the Board & Management of the Club have decided to continue with the current restrictions and permit entry only to fully vaccinated, or medically exempt patrons, staff & contractors from 15th December 2021.

This decision will be reassessed by the 31st January 2022 factoring in the circumstances of the pandemic in our region.

On behalf of the Board, Management and Staff I would like to thank our loyal members for their patience and support of the Club during this turbulent period and extend to you all, our best wishes for a safe and healthy festive season!

Stay safe!

Juston Baillie
Chief Executive Officer
